# WHAT WE DO

## Welcome to Binksberry Hollow!

At Binksberry Hollow you will enjoy a Chef crafted, couple-inspired menu, because we don't believe that there is such a thing as a standard wedding! Your event warrants the effort of a custom created menu perfectly suited to your sense of taste and style.

Chef Binks opens his family farm to you and brings his heart and soul to your event with over 40 years of experience as a Professional Chef! Even with over a decade as a featured Television Chef, his specialty is and has always been catering special events that are unique to each and every client. There is no culinary concept you can imagine that is out of the realm of possibility for Chef Steven Binks and his team!

Binksberry Hollow also features

- A sustainable farm & butchery located in the heart of North Western New York's rich farm land.
- Seasonally inspired menus using ingredients available on-farm and neighboring farms, ensuring peak freshness!
- The entertainment value of food to entertain your guests with incredible wow-moments they will never forget!
- Live action stations, multiple fires, traditional and South American grilling techniques, and table-side carving are just a few of his favorite techniques!

## What Binksberry Hollow means to Us:

Binksberry Hollow is a direct reflection of our passion for food and a means to deepen our relationship and understanding of where it comes from.

We (or our local farm partners) raise pastured chicken, grass-fed beef, and hogs. We then process and custom cut (in our certified and inspected on-farm butcher shop) dry-aged beef, signature sausage, and truly farm-fresh poultry.

Weddings give us the chance to share our vision of hyper-locally sourced food with our extended Farm family on their most important life event.

*Steven & Kristie*
